VICTORIA TIMES CELEBRATES ITS 50TH BIRTHDAY

On Saturday, June 9th, the Victoria Daily Times celebrated its golden jubilee, having completed 50 years of publication in British Columbia on that date. It ranks among the oldest daily papers in the province, which includes The Victoria Colonist, Nanaimo Free Press, and the New Westminster Columbian.

A special section of The Times was published on Saturday in which was a reproduction of the original four-page paper as it came from the press. From this edition many old-timers will recall news items and advertisements of interest in that day. This section of The Times also carried pictorial descriptions of Victoria in 1884 and 1934, showing the marvellous growth and expansion both in the newspaper field and the advancement of the city.

The Times is a neat appearing daily that is second to none in typographical display and proper layout and through its competent staff in the editorial rooms, masters of the art preservative in the composing room, stereotyping department and press-room is a credit and real asset to the beautiful city of Victoria.

The Review joins the great throng in congratulating The Times on its fiftieth anniversary and extends best wishes for a successful future.

Members and their friends are cordially invited to be on hand to enjoy a full day of festive activity. Mr. E. M. Straight has kindly donated the use of the park at the Experimental Station for this day. A tennis tournament, open to anyone, members and non-members, will be played under the American plan, on the farm courts. This tournament is for mixed doubles only. Entries will be received by E. Livesey, phone 22, or Miss Adair, phone 26-M, up to the commencement of play on June 23rd. A small charge will be made, which may be ascertained by turning to the Coming Events column.

INSTITUTE HELD INTERESTING JUNE MEETING

One of the most interesting meetings of the year was that held on Thursday afternoon by the Women's Institute in Port Washington Hall. Mrs. S. P. Corbett presided and after dealing with the usual business, which included reports, preparations for forthcoming garden fête at "Waterloo," and plans for the annual summer outing, the president called on Mrs. E. W. Grigg, of Port Washington, to address the meeting. Mrs. Grigg, who is an expert cheesemaker, formerly resident at Duncan, then proceeded to demonstrate the art of cheese-making in the ordinary farm home, prodding her work with a very interesting talk on the value of cheese as a food and of the various varieties made commercially and at home. She then proceeded with the demonstration of a very easily-made type of cheese, exhibiting also a sample of the finished article and giving all a sample taste of the cheese. Following this very interesting demonstration a hearty vote of thanks was extended Mrs. Grigg, and a delicious tea was served by Port Washington members. The members will now enjoy the summer recess, meeting again in September.

CHILD'S SUDDEN DEATH IS SHOCK TO COMMUNITY

PENDER ISLAND, June 13.—The funeral took place on Friday afternoon of the late little Allan Teece, who passed away suddenly on Wednesday while playing at the beach. A largely attended service was held in the United Church and conducted by Rev. W. A. Alexander, hymns sung being "Jesus Bids Us Shine" and "There Is A Happy Land." The little white casket was smothered in flowers, and was borne to its last resting place by four young friends of the deceased—Elmer Bowman, Ted Corbett, Bob Johnston and Bill Corbett. Interment took place in the local cemetery following the service at the church.

The deceased child is survived by his sorrowing parents, Mr. and Mrs. J. H. Teece, who came here two years ago from West Vancouver, five sisters and two brothers, all residing at Port Washington.

The little lad, five-and-a-half years old, collapsed suddenly, apparently from a heart attack or shock, while playing with other children in the water at the beach at Port Washington last Wednesday afternoon, and died before aid could be summoned from among older persons nearby. His eldest sister, Marjorie, who was in charge of the youngsters, rushed to his assistance when she learned from the others that Allan had fainted, but the little lad was beyond help. The sister called for the aid of Mr. N. A. and Mr. Thompson, and together they worked over the body until Dr. West arrived from Mayne Island. It was found that the child had not been drowned but evidently had died from a heart attack, and the tragedy cast a gloom over the community whose sympathy goes out to the bereaved family. An inquest was held on Thursday.

JULY 20TH SET FOR I.O.D.E. FLANNEL DANCE

The last meeting of the Allies' chapter before the summer holiday was held in the Guide and Scout Hall, Sidney, on Thursday, June 7th. In the absence of the regent, Mrs. G. E. McLean, the first vice-regent, Mrs. H. C. Layard, presided.

Before proceeding to business the members passed a vote of sympathy with Mrs. McLean in her illness and the secretary was instructed to forward the same.

The educational secretary reported having visited the three North Saanich schools on Empire Day when Mrs. Corby, secretary of Provincial chapter, had addressed the children and presented books to the libraries of Deep Cove and North Saanich schools and a portrait of the Prince of Wales to Sidney school. Much regret was expressed when the chapter heard that Mr. Wilson while hanging the portrait later had fallen and injured himself severely.

CHURCHES OF CHRIST, SCIENTIST

Sunday, June 17th

"GOD THE PRESERVER OF MAN" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 17th.

The Golden Text is: "As birds flying, so will the Lord of hosts defend Jerusalem; he will deliver it; and passing over he will preserve it" (Isaiah 31: 5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases" (Psalm 103: 3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christian Science exterminates the drug, and rests on Mind alone as the curative Principle, acknowledging that the Mind has all power" (p. 157).

FOOTBALL TEAM STAGES DANCE

By Review Representative

FULFORD, June 13.—There was a large attendance at the dance held on Friday evening at the Institute Hall, which was given in aid of Kenny Tahouney, a member of the football team who is recovering from a serious illness.

A local orchestra was in attendance. A box of chocolates, donated by Kenneth Mollet, was won by Walter Lasseter, and a box of candy went to C. Nelson.

The committee in charge would like to thank all who gave their services free and helped in making the dance a success.

SPORTS

BASEBALL

The Sidney baseball team still keeps at the top of the Twilight Baseball League by chalking up another victory on Sunday at the Memorial Park, Sidney, when playing a 12-inning game with Stockers. The hefty swat of Frank Lines, veteran baseball player, known to all baseball players on this end of Vancouver Island, put the game on ice for Sidney, for there was one on when the pill was sent on a home-run flight in the last half of the twelfth, when the count stood 7-7 with two down and two strikes on the batter.

Jackson, pitcher for the Sidney team, played on the all-star team of the Twilight League which lined up against the boys from the visiting American battleship last week in Victoria. He was called in at the fifth inning when the sailors showed too fond a liking for the offerings of the preceding moundman. No more runs crossed the plate for the Americans and the game ended 8-8.

Next Sunday, 3 p.m., the Japanese team will meet the Sidney nine at the Memorial Park. The Japs have a smooth-working team and a great game is expected.

SOFTBALL

League games for the past week have been followed with interest, showing gains in most every play for the local teams.

Thursday evening at North Saanich grounds the N.S.S.C. had a win over the Canadian West Coasters, 17-1. The same evening in Sidney the Victoria West Social Club won from the Lucky Lindies by a score of 3-2. This was a close game and the winner was in doubt until the last man was out.

Monday, June 11th, Spencers met the N.S.S.C. at Upper Central and the local boys got the best of the 18-2 score. Many local players followed the players to Victoria. At the local park Lucky Lindies met the Bruins, the undefeated league leaders. The Lucky Lindies cast a spell over the visitors and handed them their first defeat, 9-7.

League games for the next few days are:

Thursday, June 14 — Bruins vs. N.S.S.C. at Memorial Park, Victoria. Lucky Lindies vs. Spencers at Athletic Park, Victoria.

Monday evening, June 18 — N.S.S.C. vs. Lucky Lindies at North Saanich grounds.

LADIES' SOFTBALL

Last Wednesday evening the Sidney Bluebirds travelled to North Saanich to play a return game with the Red Sox. The Blue birds lost a flock of feathers in the fray, the Red Sox getting the best of a swarming bee, 35-22. The two local girls' teams now stand even with a win each. Another exhibition game will be played as soon as convenient for all concerned.

The Bluebirds were invited to do combat with the Scouts on Friday evening at the Memorial Park. The Scouts dropped a game to the Bluebirds the preceding week and they were out to even matters up — and they did in royal style to the tune of 44-24, the boys' battery proving much too strong for the girls to hit safely to my great extent. Another game between these teams is looming up.

In a league game Friday night at Lower Central grounds, Victoria, the Red Sox's triumphed the Young People's Club team, 36-7.

Monday night the Red Sox's played the Colonist Cubs in Victoria and had an easy win, 41-10.

A league game of interest will take place this week on Friday night when the Young Liberals will meet the Red Sox's on the North Saanich grounds. These two teams, we understand, are tied for leadership of the league — neither having as yet lost a game. Come on Red Sox's, show 'em how!
